Courtley's highest paid extreme professions

Here at Courtley we wondered which jobs in regard to safety were the highest and lowest paid and we were quite surprised at the results once we'd done a little bit of research. Have a look and let us know what you think..

Highest paid:
Safari Guide: \$73,000

Professional Stuntman
\$70,000

Crocodile Physiologist
\$62,500

Storm Chaser
\$60,968

Cave Diver
\$58,640

Smoke Jumpers
\$33,000

Skydiving Instructor

Whitewater Rafting Guide

Everest Guides

In case you were wondering what a venom milker does: it's a position to massage the venom glands of snakes, whilst pressing their fangs on a plastic plate/tube, to collect their venom. Apparently snakes don't enjoy being milked: Fancy that!
